FEBRUARY IS HEART MONTH!

American Heart Association Donation

OSPC would like to ask you for your help by choosing **RED** or **PINK** ties during February! Dr. Donato will donate **\$3 per patient** that chooses the color **RED** or **PINK**. Each participant will receive **5 patient reward hub points**. All donations will go towards the American Heart Association, thanks to you! The AHA aids in creating awareness towards strokes, hypertension and more. They have funded over \$5 billion since 1949 for research funding, reduced 15.1% deaths from heart disease and a 13.6% reduction in deaths from strokes since February 2018. Help us make a difference and choose **PINK** or **RED!** ❤️
