

# ORTHODONTIC SPECIALIST P.C.

**TAKE A BITE OUT OF  
BULLYING W/ OSPC!**

OSPC is joining The American Association of Orthodontists in an anti-bullying campaign. At one point or another, some of us had fallen victim to bullying to a certain degree. We want to influence young people in the community to send a visible message that no child should ever experience bullying. On October 18, 2023, OSPC will **GO ORANGE** for Unity Day. To help stand up against bullying, we are asking our patients to sign pledges that will be provided in our office. Dr. Donato will donate \$2 to the **STOMP Out Bullying** campaign for every pledge signed. Together we can take a bite out of bullying.

**IN OCTOBER,  
WE WEAR PINK.**

During the month of October, OSPC wears pink to help support those who are fighting against Breast Cancer. To help make a difference, we offer our patients the option to choose **PINK** ties. Patients can choose to make every bracket pink or to do one full arch. Patients will earn 5 patient reward hub points for choosing pink. Every patient that chooses **PINK**, Dr. Donato will donate \$3 to the **Susan G. Komen for the Cure** foundation. With the help of our patients, OSPC has donated over \$1,000 combined from the past few years! Help us continue to make a difference by choosing **PINK**.
